You'll find not only classic works that are now out of copyright, but also new books from authors who have chosen to give away digital editions. There are a few paid-for books though, and there's no way to separate the two

Historical Introduction to Philosophy by Albert B. Hakim

History (from Greek ???????, historia, meaning 'inquiry; knowledge acquired by investigation') is the study of the past. Events occurring before the invention of writing systems are considered prehistory. "History" is an umbrella term that relates to past events as well as the memory, discovery, collection, organization, presentation, and interpretation of information about these events.

History - Wikipedia

An Introduction to Historical Linguistics

Students of the Pentateuch have always been interested in historical questions. Were the patriarchs and matriarchs real people or literary creations? Did the exodus from Egypt take place the way it is described in the Bible? Were there twelve tribes of Israel? In this book John J. McDermott looks in a balanced way at the historical questions in the Pentateuch.

Essays - Mass Observation: An Historical Introduction ...

The English law of obligations has developed over most of the last millennium without any major discontinuity. Through this period each generation has built on the law of its predecessors, manipulating it so as to avoid its more inconvenient consequences and adapting it piecemeal to social and economic changes. Sometimes fragments borrowed from other jurisdictions have been incorporated into ...
