tion to facilitate understanding the International Financial Reporting Standards (IFRS) and to emphasize the importance of financial analysis and interpretation of the information produced through application of these standards. Our gratitude also extends to the senior management of FirstRand Limited, who devoted

financial reporting practices used at lodging properties around the world, PLUS guidance on and commentary and analysis from industry experts. Netherlands, United Kingdom, and the 10th and 11th editions of the USALI. As with any benchmarking services, in order to stay relevant, it is imperative that the GHACP is a

Second, the income statement helps users of the financial statements to determine the risk (level of uncertainty) of income—revenues, expenses, gains, and losses—and highlights the relationship among these various components. It should be emphasized that the income statement is used by parties other than investors and creditors.
